

Research projects, organization of conferences, international collaboration

Since 1996 responsible for the organization of “Giornata di Dialettologia”, an annual workshop in Padua offered for Italian and foreign students interested in (Romance) dialectology.

1998-2005 took part in un bilateral reserach project "Gli elementi minimi della variazione linguistica-sintassi comparata microparametrica: aspetti del sistema wh nelle varietà romanze” with the French CNRS of Poetics and Formals Syntax (biennial 1998/1999, 2000/2001 and 2004/2005).

Since 2005 took part in the PICS-project "La microvariazione degli elementi wh-" in agreement with the French CNRS of Poetics and Formals Syntax, financed till 2009.

1998-2001 participated in the Biblos project for the publication of datebases for Humanities, responsible for the ASIS database (Syntactic Atlas of Northern Italy), later integrated into the project ASIt.

Since 1998 responsible with Paola Benincà, University of Padua, for the journal “Quaderni di Lavoro dell’ASIS”, published online: <http://asis-cnr.unipd.it>.

2003 organized in collaboration with il Meertens Instituut (Olanda), the University of Zürich and the University of Fribourg an explorative workshop about the syntax of European dialects, funded through the European Science Foundation.

2008 organized in collaboration with il Meertens Instituut (Olanda) a workshop in connection to the European project Edisyn.

2005-2009 member of the Steering Committee of the project Scandiasyn.

2007 member of the Committee of the project Edisyn.

Took part in the PRIN-project about “Mappatura della struttura funzionale”, reasearch unit in Venice directed by Guglielmo Cinque.

1997-2007 took part in the Italant-project “per una Grammatica dell’italiano antico”, University of Padua.

Since May 2009 member of the project “Il Cimbro come laboratorio di analisi per la variazione linguistica in sincronia e diacronia – Proposte per una cartografia linguistica del Triveneto” in collaboration with the University of Verona.

In 2010/2014 took part in the project FIRB (future in basic research), denominated ASIT (Syntactic Atlas of Dialects in Italy), research unit Ca’ Foscari University of Venice.

September 2012-September 2014 director of the research project: "Appositive und restriktive Relativsätze in den romanischen Sprachen: ein synchronischer und diachronischer Vergleich unter besonderer Berücksichtigung des Italienischen und Portugiesischen“.

Currently, directs two projects of the DFG (German Research Foundation), Goethe-Universität of Frankfurt am Main:

a) September 2014-September 2017 "Der Relativsatzzyklus: Zur Begründung der Variation in Relativsätzen des Italienischen und Portugiesischen".

http://www.fg1783.uni-frankfurt.de/info_rom.htm

b) April 2015-April 2017 "Quantification in Old Italian" (website is still under construction)

Is part of the Graduate school on Nominal Modification in Linguistics, financed by DFG (2014/2018), Goethe-Universität of Frankfurt am Main.

<http://www.uni-frankfurt.de/50692667>

Is part of the doctoral college of DISLL, University of Padua.

Reviewer for the journals *Syntax*, *Natural Language and Linguistic Theory*, *Lingua*, *Probus* and *Hystorical Syntax*, *Glossa*.

Reviews of monographs proposed to the Oxford University Press and the English Philological Society.

Is part of the following editorial boards:

Quaderni di Lavoro dell'Atlante Sintattico dell'Italia Settentrionale,

Linguistic Variation,

Historical Syntax.

Is part of the selection committee of the following conferences: Console 1993, IGG (Meeting of Generative Grammar) since 2009, Going Romance since 2007, Linguistic Simposium Romance Languages (LSRL) since 2000, GLOW since 2007 and DIGS (Diachronic Syntax Conference) since 2013.

Valuated research projects for the following international research organizations:

DFG (Germany), Deutsche Forschungsgemeinschaft

NSF (USA), National Research Foundation

CNRS (France), Centre national de la recherche scientifique

SNSF (Switzerland), Schweizer Nationalfond zur Förderung der wissenschaftlichen Forschung

NWO (Netherlands). Nederlandse Organisatie voor Wetenschappelijk.

Conference presentations with the selection of an abstract

June 1989 – “Generative Grammatik Sueddeutschland”, University of Passau, working title: “Die Syntax des Spaltsatzes”, in collaboration with G. Grewendorf (see publication number 2).

February 1990 – “XVI Incontro di Grammatica Generativa”, University of Pisa, working title: “I clitici soggetto e la teoria di pro”.

July 1990 – “First Workshop on Central Romance Languages”, University of Geneva, working title: “Subject Clitic-Verb Inversion in Northern Italian Dialects”.

December 1990 – “Clitics and their Hosts”, University of Geneva, working title: “Three Types of Subject Clitics in the Northern Italian Dialects” (see publication number 3).

February 1991 – “XVII Incontro di Grammatica Generativa”, University of Trieste, working title: “La proiezioni di Aspetto e l’ausiliare *avuto*” (see publication number 4).

March 1991 – “Primo Colloquio di Sintassi generativa”, University of Madrid, working title: “La proiezioni di Aspetto e l’ausiliare *avuto*”.

Maggio 1991 – “I dialetti e la dialettologia negli anni 90”, University of Lecce, working title: “Il Modello Generativo” (see publication number 5).

February 1992 – “XVIII Incontro di grammatica Generativa”, University of Ferrara, working title: “Gli infiniti flessi e la proiezione di C” in collaboration with F. Benucci.

December 1992 – “Going Romance”, University of Utrecht, working title: “Complementizer Deletion in Standard Italian”.

February 1993 – “XIX Incontro di Grammatica Generativa”, University of Trento, working title: “*Bisogna* and Its Companions” in collaboration with P. Benincà.

May 1993 – “II Workshop on Central Romance Languages”, University of Barcelona, working title: “C-projections”.

October 1993 – “Italia Settentrionale: crocevia di idiomi romanzi”, University of Trento, working title: “Gli introduttori delle frasi interrogative nei dialetti italiani settentrionali” (see publication number 14).

February 1995 – “XXI Incontro di Grammatica Generativa” DIPSCO Milan, working title: “La struttura interna della proiezione di AgrS”.

Novembre 1995 – “Workshop on Structural Hierarchy”, University of Bergamo, working title: “Split CP in the Northern Italian Dialects”.

February 1996 – “XXII Incontro di Grammatica Generativa”, University of Bergamo, working title: “Il fenomeno del *do*-support nel dialetto lombardo di Monno”.

October 1996 – “SLI”, University of Pavia, working title: “L’inversione interrogativa come ‘verbo secondo residuo’: l’analisi sincronica proiettata nella diacronia”.

February 1997 – “XXIII Incontro di Grammatica Generativa”, Scuola Normale Superiore di Pisa, working title: “Il verbo secondo ladino: *split comp* e posizioni di soggetto”.

February 1998 – “XXIV Incontro di Grammatica Generativa”, University of Verona, working title: “Making imperatives: evidence from Rhaetoromance” in collaboration with R. Zanuttini.

December 1998 – “Going Romance”, University of Groningen, working title: “Rhaetoromance verb second: a split CP analysis”.

December 1998 – “Going Romance”, University of Groningen, working title: “A case of *do*-support in Romance” in collaboration with P. Benincà.

May 1998 – “Inversion in Romance”, University of Amsterdam, working title: “Inversion in interrogatives”.

June 1998 – “Quarta Giornata di Dialettologia”, University of Padua, working title: “Making imperatives: evidence from Rhaetoromance” in collaboration with R. Zanuttini.

October 1998 – “Fragen über Fragen”, University of Innsbruck, working title: “Due tipi di wh in situ nei dialetti italiani settentrionali” in collaboration with N. Munaro.

February 1999 – “XXV Incontro di Grammatica Generativa”, University of Siena, working title: “A typology of V2” in collaboration with A. Tomaselli.

February 1999 – “XXV Incontro di Grammatica Generativa”, University of Siena, working title: “Eppur si muove: on comparing French, Portuguese and Bellunese wh-movement” in collaboration with N. Munaro e J.-Y. Pollock.

April 1999 – “LSRL XXIX”, University of Ann Arbor, working title: “On the structure of Interrogative clauses in Romance” in collaboration with J.-Y. Pollock.

April 1999 – “LSRL XXIX”, University of Ann Arbor, working title: “From the loss of V2 to the rise of subject clitics: a view of minimal diachronic change” in collaboration with P. Benincà.

April 2000 – “X Colloquio di Grammatica Generativa”, University of Alcalà, working title: “The Syntax of Rhetorical Interrogatives and the Left Periphery of the Clause” in collaboration with H.-G. Obenauer.

April 2001 – “LSRL XXXI”, University of Chicago, working title: “Marking new information in the left periphery: the case of *pa* in Central Rhaetoromance” in collaboration with R. Zanuttini.

May 2001 – “XXVII Incontro di Grammatica Generativa”, University of Trieste, working title: “On the Left Periphery of Some Romance Wh-Questions” in collaboration with J.-Y. Pollock.

May 2001 – “XXVII Incontro di Grammatica Generativa”, University of Trieste, working title: “C-deletion in Florentine: the interaction between Merge and Move” in collaboration with G. Cocchi.

March 2002 – “Workshop on sentence typing”, Freie Universität of Berlin, working title: “Rhetorical questions” in collaboration with H.-G. Obenauer.

April 2002 – “GLOW”, Meersten Institut di Amsterdam, working title: “The left periphery on Romance interrogatives” in collaboration with J.-Y. Pollock.

July 2002 – “DIGS”, University of Girona, working title: “*Sì* and *e* as CP expletives in Old Italian”.

February 2003 – “XXIX Incontro di Grammatica Generativa”, University of Urbino, working title: “Ways of Clausal Typing” in collaboration with N. Munaro.

February 2003 – “XXIX Incontro di Grammatica Generativa”, University of Urbino, working title: “On the structure of Interrogative clauses in Romance” in collaboration with J.-Y. Pollock.

February 2005 – “XXXI Incontro di Grammatica Generativa”, University of Rome III, working title: “The left periphery of the low phase: evidence from Old Italian”.

March 2005 – “GLOW”, University of Geneva, working title: “The left periphery of the low phase: OV orders in Old Italian”.

June 2005 – “ICLAVE”, Meertens Instituut Amsterdam, con un lavoro da titolo “Phrasal verbs in Veneto and Regional Italian” in collaboration with P. Benincà.

March 2006 – “XXXII Incontro di Grammatica Generativa”, University of Florence, working title: “Complementizer deletion in Italian and Florentine” in collaboration with G. Cocchi.

January 2007 – “CISDM”, University of Cambridge, working title: “On doubling strategies”.

March 2007 – “DFG Tagung”, University of Siegen, working title: “Double Auxiliaries and Anteriority”.

September 2007 – “Congrès international de linguistique et de philologie romanes”, University of Innsbruck, working title: “Particelle frasali in ladino e altre varietà romanze”.

September 2008 – “SLI”, University of Pisa, working title: “Il circuito negativo e la struttura argomentale” in collaboration with J. Garzonio.

February 2009 – “XXXV Incontro di Grammatica Generativa”, University of Siena, working title: “The hybrid complementizer system of Cimbrian” in collaboration with G. Grewendorf.

June 2009 – “IV Convegno CISDM”, University of Cambridge, working title: “Focus Negation”.

January 2010 – “LSA MIT”, Hilton Baltimore, working title: “Typing Sentential Particles“ in collaboration with F. del Gobbo.

June 2010 – “NORMS Closing Seminar and the Comparative Germanic Syntax Workshop 25”, University of Tromsø, working title: “V2 or not V2: An Analysis of the Cimbrian Left Periphery”.

July 2010 – “Cambridge Italian Dialect Syntax Meeting V”, University of Berlin, working title: “Optional negative concord? A case study on the interplay between sentential negation and the left periphery of the clause”.

December 2010 – “Going Romance”, University of Leiden, working title: “Negative concord in Old Italian”.

March 2012 – “European Dialect Syntax Workshop”, University of Cambridge, working title: “On the internal structure of *dove*”.

May 2012 – “Workshop on Italian Dialects”, University of Leiden, working title: “Bare and non bare quantifiers in Old Italian”.

July 2012 – “DIGS XIV”, University of Lisbon, working title: “On *niente*: the twist and edges of negative concord in Old Italian”.

April 2013 – “GLOW Workshop on Syntactic Variation and Change”, University of Lund, working title: “Bare quantifiers and the like: analyzing the internal structure of functional words”.

April 2013 – “LSRL 43”, Cuny Center New York, working title: “At the PF Interface: Negation and clitic clusters” in collaboration with J. Garzonio.

July 2013 – “International Congress of Linguists”, University of Geneva, working title: “On NegP” in collaboration with J. Garzonio.

October 2013 – “Workshop Variation in P”, University of Venice, working title: “On the internal structure of the wh-item ‘dove’: evidence from Italomance” in collaboration with N. Munaro.

March 2014 – “DGfS”, University of Marburg, working title: “Demonstratives in Relative clauses: evidence for the relative cycle”.

December 2014 – “Going Romance”, University of Lisbon, working title: “On the nature of complementizers: insights from Italian subject relative clauses” in collaboration with E. Sanfelici.

June 2015 – “Edisyn”, University of Zürich, working title: “Relative clauses in Italian varieties – On the nature of the relativizers” in collaboration with E. Sanfelici.

December 2016 "Going Romance" University of Nijmegen working title: “How an aspectual marker becomes a focalizer: a case study in Old Italian” in collaboration with I. Franco, G. Mensching, O. Kellert.

February 2016 – DGfS working title: "On negative additives" in collaboration with I. Franco, G. Mensching, O. Kellert.

April 2016 – Linguistic Symposium on Romance Languages (LSRL) University of Stony Brook working title: "Negative concord in Old Italian and the internal structure of negative indefinites" in collaboration with I. Franco, G. Mensching, O. Kellert.

Conference presentations without the selection of an abstract

July 1999 – “Isole Linguistiche”, Sappada (organized by the University of Padua), working title: “L’interazione tra germanico e romanzo in due ‘isole linguistiche’. Cimbri e ladino a confronto” in collaboration with A. Tomaselli.

June 2000 – “Giornata di Dialettologia”, working title: “Marking new information in the left periphery: the case of *pa* in Central Rhaetoromance” in collaboration with R. Zanuttini.

July 2000 – “I confini linguistici”, Sappada (organized by the University of Padua), working title: “Confini all’interno del parlante: l’interferenza tra la grammatica dialettale e quella italiana”.

June 2001 – “VII Giornata di Dialettologia”, University of Padua, working title: “C-deletion in Florentine: the interaction between Merge and Move” in collaboration with G. Cocchi.

July 2001 – “Dialetti e Dialettologia”, Sappada (organized by the University of Padua), working title: “La sintassi del soggetto nullo nelle isole tedescofone del Veneto: Cimbri e Sappadino a confronto” in collaboration with A. Tomaselli.

July 2002 – “Convegno annuale di dialettologia”, Sappada (organized by the University of Padua), working title: “Conservazione e innovazione in alcune particelle frasali dall’italiano antico alle varietà moderne”.

October 2002 – “Italant – per una grammatica dell’italiano antico”, University of Padua, working title: “Anteposizioni interne alla frase in italiano antico”.

July 2003 – “Convegno annuale di dialettologia”, Sappada (organized by the University of Padua), working title: “Le frasi interrogative in sappadino e altre varietà germaniche conservative” in collaboration with A. Tomaselli.

September 2003 – “Workshop – European Science Foundation”, University of Padua, working title: “The ASIS project”.

July 2005 – “Il dialetto e i giovani”, Sappada (organized by the University of Padua), working title: “Propagazione di suffissi derivazionali nel linguaggio giovanile” in collaboration with N. Penello.

July 2006 – “Dialetti Memoria e Fantasia”, Sappada (organized by the University of Padua), working title: “I valori del suffisso accrescitivo: un procedimento creativo” in collaboration with M. Bambino.

July 2007 – “Convegno di Dialettologia”, Sappada (organized by the University of Padua), working title: “La sintassi comparative e le aree dialettali” in collaboration with P. Benincà.

February 2009 – “Workshop Preverbi”, University of Padua, working title: “I prefissi separabili in Cimbro”.

October 2009 – “Giornata di Studio sul Siciliano”, University of Padua, working title: “Alcuni fenomeni relativi alla negazione nei dialetti siciliani” in collaboration with J. Garzonio.

June 2011 – “XVII Giornata di Dialettologia”, University of Padua, working title: “La struttura interna del DP in italiano antico”.

December 2011 – “Giornata di Studi sui dialetti delle Marche”, University of Padua, working title: “Avverbi e struttura frasale in alcune varietà delle Marche” in collaboration with J. Garzonio.

June 2012 – “XVIII Giornata di Dialettologia”, University of Padua, working title: “On the internal structure of ‘where’” in collaboration with N. Munaro.

June 2013 – “XIX Giornata di Dialettologia”, University of Padua, working title: “On subject and object relative clauses in Italian dialects” in collaboration with I. Caloi and E. Sanfelici.

November 2013 – “Giornata di lavoro ASIt sui dialetti dell’Abruzzo”, University of Padua, working title: “When low adverbs are high. On Low Adverbs in Abruzzese”.

June 2014 – “XX Giornata di Dialettologia”, University of Padua, working title: “Decomposing negation” in collaboration with J. Garzonio.

November 2016 Workshop on Partitivity COST action, working title: “Partitives in the Northern Italian dialects”

Presentations as invited speaker on conferences and research seminars

April 1992 – “Seminario di ricerca”, University of Pavia, working title: “Alcune differenze sintattiche tra l’italiano standard e le varietà italiane settentrionali”.

March 1993 – “Seminario”, University of Milan, working title: “La proiezione di Aspetto: un’analisi del passato surcomposto”.

July 1993 – “Corso di lezioni”, University of Girona, working title: “Il soggetto e la posizione di C” (see publication number 8).

April 1994 – “II Diachronic Syntax Conference”, University of Amsterdam, working title: “The Diachronic Development of Modal Verbs of Necessity”.

November 1994 – “Workshop on Clitics – European Science Foundation”, University of Venice, working title: “The internal structure of AgrS”.

May 1995 – “Seminaire de Recherche – Dipartimento di Linguistica”, University of Geneva, working title: “Interrogative structures in the Northern Italian Dialects”.

January 1997 – “Seminario di ricerca”, University of Florence, working title: “I clitici soggetto e la teoria di pro”.

September 1997 – “Progetto di collaborazione tra il CNR e il CNRS francese”, Centro di Poetica e Sintassi Formale del CNRS of Paris, working title: “Interrogative structures in the Northern Italian dialects”.

January 1998 – University of Paris VII, working title: “Subject positions”.

January 1998 – University of Paris VII, working title: “Rhaetoromance verb second: a split CP analysis”.

November 1998 – “Workshop on Minimal Variation”, University of Paris VII, working title: “Subject Clitic Inversion and Weak Wh-items: the interplay between the wh-criterion and the doubly filled comp filter”.

December 1998 – “Seminario di ricerca” University of Venice, working title: “I clitici soggetto e le proiezioni di AgrS nei dialetti italiani settentrionali”.

September 1999 – “Workshop on Minimal Variation”, University of Paris VII, working title: “The Syntax of Rhetorical Questions” in collaboration with H.-G. Obenauer.

November 1999 – “Workshop on the Cartography of the Functional Projections”, Pontignano, working title: “On the left periphery of interrogative clauses in French and Italian” in collaboration with J.-Y. Pollock.

November 1999 – “Workshop on the Cartography of the Functional Projections”, Pontignano, working title: “Topic, Focus and V2 on defining the CP sublayers” in collaboration with P. Benincà.

December 1999 – “Going Romance”, University of Leiden, working title: “The structure of Interrogative Clauses in some Romance Languages”.

May 2000 – University of Geneva, ha tenuto tre conferenze su “La variazione dialettologica in sintassi”.

May 2000 – “Workshop: On the antisymmetry of Syntax”, Cortona (organized by the Scuola Superiore Normale di Pisa, working title: “On weak wh-items” in collaboration with J.-Y. Pollock.

September 2000 – “Workshop on Dialectology in Europe”, Meertens Institute di Amsterdam, working title: “V2 in Romance languages”.

December 2000 – “Workshop on Minimal Variation”, University of Paris VII, working title: relazione dal titolo “On the structure of interrogative clauses in some Romance languages” in collaboration with J.-Y. Pollock.

April 2001 – “Seminario di ricerca”, University of Georgetown, Washington, working title: “Topic, Focus and V2: on defining the CP sublayers” in collaboration with P. Benincà.

June 2001 – “LEHIA Workshop”, Vitoria, working title: “Topic, Focus and V2: on defining the CP sublayers”.

June 2001 – “LEHIA Workshop”, Vitoria, working title: “Eppur si muove” in collaboration with N. Munaro.

November 2001 – “Seminario di ricerca del collegio di dottorato in Linguistica”, University of Frankfurt am Main, working title: “Topic, Focus and V2: defining the CP sublayers”.

June 2002 – “In The Mood”, University of Frankfurt am Main, working title: “On the syntax of the left periphery in Romance”.

December 2002 – “Workshop: On the Fine Structure of the CP layer”, University of Paris VII, working title: “On the structure of Interrogative clauses in Romance” in collaboration with J.-Y. Pollock.

December 2003 – “Workshop: On the Fine Structure of the CP layer”, University of Paris VII, working title: “On Wh-clitics, Wh-doubling and Apparent Wh *in situ* in French and some North Eastern Italian Dialects” in collaboration with J.-Y. Pollock.

December 2003 – “Workshop: On the Fine Structure of the CP layer”, University of Paris VII, working title: “Internal Focus and Topic in Old Italian: the relation between CP and VP” in collaboration with J.-Y. Pollock.

November 2004-December 2004 – docente ad un corso di dottorato presso l’University of Oslo.

December 2004 – “Workshop: On the structure of the CP layer”, University of Paris VII, working title: “Topics in Italian and French” in collaboration with H.-G. Obenauer and C. Braconnier.

2005

January 2005 – “Die Zimbrische Sprache”, University of Bremen, working title: “Von OV zu VO: ein Vergleich zwischen Zimbrisch und Plodarisch” in collaboration with G. Grewendorf.

January 2005 – “Comparazione linguistica nelle lingue romanze”, University of Toulouse, working title: “Distribution des éléments nominaux et pronominaux dans les dialectes italiens”.

May 2005 ha tenuto una serie di seminari presso l’University of Lund.

July 2005-August 2005 – insegnante alla scuola estiva della società Generative Linguistics Eastern Europe EGG organizzata presso l’University of Wrocław.

August 2005 – “I Convegno del progetto Scandiasys”, Leikanger (organized by the University of Tromsø), working title: “The ASIS project”.

September 2005 – “Romanistentag”, University of Saarbrücken, working title: “Von OV zu VO im Altitalienischen”.

November 2005 – “Workshop: The structure of the CP layer”, University of Paris VIII, working title: “Special questions”.

November 2005 – “Workshop: The structure of the CP layer”, University of Paris VIII, working title: “Wh-doubling and Wh in situ in Mendrisiotto and French”.

December 2005 – “Variflex”, University of Amsterdam, working title: “The third dimension of person features”.

2006

February 2006 – “Deutsch und Italienisch: ein typologischer Vergleich”, Frankfurt am Main (organized by the Italian Institute of Culture in Frankfurt and by the University of Frankfurt), working title: “Verben mit Präpositionen im Deutschen und in den Norditalienischen Dialekten”.

March 2006 – “Workshop: Edisyn”, Meertens Instituut di Amsterdam, working title: “Doubling as a spare movement strategy”.

April 2006 – “Cambridge Italian Dialect Syntax Meeting”, University of Cambridge, working title: “Sentential particles in Rhaetoromance”.

April 2006 – “Workshop: Italant”, University of Padua, working title: “Tra tutto e niente: ordini OV in Italiano antico”.

June 2006 – “Scandiasyn Grand Meeting”, Solf (Finlandia), working title: “Syntactic encoding of Aspect in the Northern Italian Dialects”.

October 2006 – “The ASIS project”, University of Reykjavik (Iceland), ciclo di conferenze.

December 2006 – “Workshop: The structure of the CP layer”, University of Paris VIII, working title: “On the syntax of French wh in situ” in collaboration with J.-Y. Pollock.

December 2006 – “Workshop: The structure of the CP layer”, University of Paris VIII, working title: “Sentence final Focus” in collaboration with N. Munaro.

December 2006 – “Variflex”, University of Amsterdam, working title: “The three dimensions of Person features”.

2007

June 2007 – “XIII Giornata di Dialettologia”, University of Padua, working title: “Typing sentential particles” in collaboration with F. del Gobbo.

August 2007 – “Scandiasyn Grand Meeting”, Myavatn (Islanda), working title: “Negative doubling”.

October 2007 – “Giornata sulla Negazione: Incontro annuale del progetto ASIT”, University of Padua, working title: “Proiezioni negative”.

November 2007 – “Workshop: The structure of the CP layer”, University of Paris VIII, working title: “Sentence final C in Romance” in collaboration with N. Munaro.

December 2007 – University of Verona, working title: “Die Leistungsfähigkeit des dialektologischen Ansatzes für die Sprachtheorie anhand zweier Implikationshierarchien”.

2008

January 2008 – “Sonderforschungsbereich 471”, Konstanz, working title: “*E* and *sì* as CP particles”.

February 2008 – “Workshop: Looking for Particles”, University of Venice, working title: “Sentential particles in Romance”.

February 2008 – “Seminario di Ricerca”, University of Utrecht, working title: “Negative splitting”.

March 2008 – “Workshop on Negation”, Oslo (Norvegia), working title: “Negative splitting”.

May 2008 – “Seminario di Ricerca”, University of Siena, working title: “Negative doubling and splitting”.

July 2008 – “Cambridge Italian Dialect Syntax Meeting”, University of Pescara, working title: “Negative projections”.

July 2008 – “Cambridge Italian Dialect Syntax Meeting”, University of Pescara, working title: “Wh-doubling strategies” in collaboration with J.-Y. Pollock.

November 2008 – “Workshop: The structure of the CP layer”, University of Paris VIII, working title: “The hybrid complementizer system of Cimbrian” in collaboration with G. Grewendorf.

2009

February 2009 – “Seminario di Ricerca”, Freie Universität of Berlin, con due lavori dal titolo “The left periphery of the clause: a state of the art” e dal titolo “Subject clitics in the Northern Italian dialects”.

May 2009 – “Workshp on Doubling – Edisyn”, tre relazioni su Wh-doubling, Negative doubling e Auxiliary doubling.

December 2009 – “Workshop: The structure of the CP layer”, University of Paris VIII, working title: “V2 and Wh-items in Cimbrian” in collaboration with G. Grewendorf.

December 2009 – “Workshop: The structure of the CP layer”, University of Paris VIII, working title: “Left Peripheral Negation in Sicilian” in collaboration with J. Garzonio.

2010

March 2010 – “Workshop: Types de phrases – stratégies et structures”, University of Paris VIII, working title: “Sentential particles and Special Questions” in collaboration with N. Munaro.

March 2010 – “Workshop: Types de phrases – stratégies et structures”, University of Paris VIII, working title: “Wh-doubling and Special Questions” in collaboration with N. Munaro.

May 2010 – “Workshop on Particles”, University of Rouen, working title: “A typology of sentential particles” in collaboration with N. Munaro and F. del Gobbo.

June 2010 – “V Scandiasyn Meeting”, University of Tromsø, working title: “OV and VO in Romance: Quantifiers, Past Participle Agreement and Aspectual Distinctions”.

June 2010 – “Workshp on Doubling – Edisyn” tre relazioni tenute su Wh-doubling, Negative doubling e Auxiliary doubling.

October 2010 – “6th International Contrastive Linguistics Conference”, Freie Universität of Berlin, working title: “Comparative Linguistics and Microvariation: the role of Dialectology”.

2011

September 2011 – “Workshop on polarity particles”, University of Ghent, working title: “Sentential particles and the syntax of emphasis”.

2012

January 2012 – “LOT winter school”, University of Tillburg, corso “The cartographic approach”.

February 2012 – “Clitics and negation”, University of Zürich, working title: “On the syntax of emphasis” con R. Zanuttini.

May 2012 – University of Göttingen, working title: “Subject clitics in Northern Italian dialects”.

June 2012 – “Workshop on Cartography”, University of Geneva, working title: “The left periphery of the DP in Old Italian. Where do we go from here”.

September 2012 – “Decennial CASTL”, University of Tromsø, working title: “On the internal structure of wh-words”.

2013

February 2013 – “Italian Dialect Festival”, University of Leiden, working title: “DP internal scrambling in Old Italian”.

June 2013 – “Workshop on Remnant Movement”, University of Frankfurt am Main, working title: “Arguing for remnant movement in Romance” in collaboration with J.-Y. Pollock.

September 2013 – “Seminario di Ricerca”, University of Nice, working title: “Word Order in Old Italian”.

November 2012 – “LIPP”, University of Monaco, working title: “Zahlwörter im Zimbrischen und Altitalienischen”.

October 2013 – “Hot Topics in Linguistics”, Universität Zürich, working title: “Subjektklitika und Personenmerkmale in den Norditalienischen Dialekten”.

2014

January 2014 – “Discourse Particles: Cross-linguistic Perspectives”, University of Konstanz, working title: “Emphasis as reduplication: Evidence from *sì che/no che* sentences”.

February 2014 – “XV Incontro di Grammatica Generativa”, University of Trento, working title: “The V2 constraint in the Old Italian DP”.

April 2014 – “Workshop on Negation”, University Vienna, working title: “Non and its companions: on the big NegP hypothesis”.
